This Publication Is The Product of a Member of

—thus assuring you the ultimate service that skill and care can produce in the way of City Directories or other reference media, and providing protection against fraudulent advertising schemes which operate under the name of Directories.

The following "Standards of Practice," adopted at the inception of the Association of North American Directory Publishers in 1898, and strictly adhered to over the years, is your guarantee of satisfactory Directory Service.

The publisher of a Directory should dedicate his best efforts to the cause of business uplift and social service, and to this end pledges himself:

1. To consider, first, the interest of the user of the book.

2. To subscribe to and work for truth, honesty and accuracy in all departments.

3. To avoid confusing duplication of listings, endeavoring to classify every concern under the one heading that best describes it, and to treat additional listings as advertising, to be charged for at regular rates.

4. To increase public knowledge of what Directories contain; to study public needs and make Directories to supply them; to revise and standardize methods and classifications, so that what is wanted may be most easily found, and the Directory be made to serve its fullest use as a business and social reference book and director of buyer and seller.

5. To decline any advertisement which has a tendency to mislead or which does not conform to business integrity.

6. To solicit subscriptions and advertising solely upon the merits of the publications.

7. To avoid misrepresentation by statement or inference regarding circulation, placing the test of reference publicity upon its accessibility to seekers, rather than on the number of copies sold.

8. To co-operate with approved organizations and individuals engaged in creative advertising work.

9. To avoid unfair competition.

10. To determine what is the highest and largest function of Directories in public service, and then to strive in every legitimate way to promote that function.

$100 Reward will be paid by the Association of North American Directory Publishers for the arrest and conviction of any person or persons engaged in the publishing, collecting or canvassing for any fraudulent or fake directories.

The CITY DIRECTORY is the Only Medium Published for Complete Information

REGARDING:—
FIRMS, INDIVIDUALS, FRATERNAL ORGANIZATIONS, SERVICE CLUBS, LOCATION OF STREETS, ETC., BECAUSE IT CONTAINS:

STREET GUIDE—
For those planning routes, deliveries, sales campaigns, etc., this section is invaluable. The names of business places and householders are listed, giving street number of each.
The starting points of all streets, also the intersections are shown. This last feature enables strangers and those not familiar with the streets to easily locate people (after having found the address, etc., in the Alphabetical section).

ALPHABETICAL SECTION—
The names of ALL (including wives) over 18 years of age appear in this section. **THE CITY DIRECTORY IS NOT JUST A LIST OF SUBSCRIBERS OR HOUSEHOLDERS ONLY**, but **CONTAINS THE NAME OF EVERY ONE OVER THE ABOVE MENTIONED AGE** which could be obtained by an Actual **HOUSE TO HOUSE AND BUSINESS TO BUSINESS CANVASS.**
Not only the name appears but also the address and **OCCUPATION** in the case of each individual and the **NATURE OF THE BUSINESS**, in the case of each firm.
The status of the individual is noted—that is if the person is a householder the letter (h) is used, if a boarder (b), roomer (rms), thus adding to the value of this section.

CLASSIFIED SECTION—
This contains a list of all the business places under their business headings. It is of great assistance to those trying to locate firms or business men whose names they do not know. It pays to be properly classified.

IT IS OFTEN THE LINK BETWEEN BUYER AND SELLER.

This, too, is not just a list of subscribers but contains the names of every business place, etc., in the city. A charge is made for extra classified headings and progressive business men realizing the need of having their firm name and products known, use this means of advertising their business.

MISCELLANEOUS SECTION—
Here can be found the names of Federal, Provincial, County, and Civic, Officials, Institutions, Fraternal Organizations, Service Clubs, Schools, Churches, Public Buildings, etc.

NO OTHER PUBLICATION CONTAINS the Combined Features Mentioned Above.
